## Work experience

### Engineering Manager

[Ardoq](#) — Oslo, Norway (January 2025 – now)

Working as part of a self-sufficient product team developing a cloud-native platform that provides businesses with the insights they need to plan and execute change across their people, projects, processes, applications, infrastructure, and business capabilities.

### Engineering Manager

Platform Team

[Xeneta](#) — Oslo, Norway (January 2022 – December 2024)

- Led efforts on building and maintaining platform tooling in an iterative and dynamic environment to help product teams develop, test and deploy applications faster.
- Collaborated with stakeholders across the organization to solve complex technical problems while maintaining a high standard of quality and reliability.
- Led by example and helped engineers achieve the next level of career and professional growth by coaching and mentoring.

### Lead Software Developer

[Xeneta](#) — Oslo, Norway (January 2021 – January 2022)

- Led hiring efforts for 5+ front-end developer positions.
- Focused on continuous evaluation and refinement of development and infrastructure standards and processes.
- Ensured that current and long-term product focused work is balanced with technical debt and strategic tech development.

### Senior Software Developer

[Xeneta](#) — Oslo, Norway (January 2019 – January 2021)

### Software Developer

[Xeneta](#) — Oslo, Norway (June 2017 – January 2019)

### Software Developer

[Gremi Media](#) — Warsaw, Poland (March 2016 – June 2017)

### Software Developer

[Ideo Software House](#) — Rzeszów, Poland (March 2015 – March 2016)
